

# Summer Lesson Policies

## Booking Lessons

Summer lessons are booked individually through the appointment calendar. Please book only the lessons that you know you are able to attend.

## RCM Exam Preparation

Students preparing for The Royal Conservatory of Music examinations are required to continue lessons throughout the summer. A minimum of 3 lessons is required, though 4 lessons are strongly recommended in order to maintain consistent progress and adequate exam preparation.

## Cancellations & Makeups

There are no cancellations, credits, refunds, or makeup lessons for missed summer lessons. Any cancelled or missed lessons will be forfeited.

## Payment

One invoice will be issued for all booked summer lessons. Full payment is required before lessons begin in order to confirm your lesson times.

## Studio Policies & Reminders

- Please bring water to your lesson.
- The studio is kept extremely cold during the summer months, so please bring a sweater or extra layer if needed.
- If you are experiencing any cold or flu-like symptoms, please consider switching your lesson online. If attending in person, students must wear a mask and inform me in advance so that I may also wear one.
- Please note that masks are not provided at the studio.
